About Classic Ice Sculptures

Classic Ice Sculptures is the latest addition to the "Classic Wedding Cars & Events" portfolio of wedding related displays and decorations.

All of our "Ice Craft Displays" are created on our premises in "Kilsyth" in purpose built walk in freezers at minus 30 degrees, to ensure that your ice display is of the best lasting life span and quality

Although we do manufacture a stock holding of sculptures, we always recommend that you order well in advance of your wedding or event, so we can guarantee your display on the day, as we do supply many hotels and other venues in the central belt,
